## USQ Study abroad and exchange programs

### Why study overseas

Receive credits towards your degree.

Refine your academic skills.

Rise to challenges and go on adventures.

Enhance your employment opportunities.

Develop confidence, perseverance and adaptability.

### Choose your program

- **Semester exchange**  
Study at a partner university for 1 or 2 semesters.
- **Short term experiences**  
Travel with a group of students or as an individual on a 2 – 6 week program.
- **Virtual experiences**  
Available at selected partners.

### Eligibility

To be eligible to study abroad you must have successfully completed a minimum of 8 courses within your degree, have a GPA of 4.5 or above, be in an approved USQ degree program and have at least 1 course left to complete upon your return to USQ.

### Funding

Both the Australian Government and USQ offer grants and scholarships to eligible students for study abroad opportunities. Find out more on our website.
